3. The balance of the purchase money shall be paid within thirty days from date of sale, failing which, the earnest and one-fourth deposits already paid will be forfeited to Government and the timber not paid for shall be resold.

4. No timber shall be removed by any purchaser until it has been paid for in full and until a license to remove is obtained for it.

5. If timber is left in the woodyard unremoved for more than ninety days from the date of sale, such timber will remain at the risk of the purchaser and further the purchaser will be required to pay woodyard rent at Rs. 6-4-0 per cent per annum on the purchase money from the date of sale.

K. REVANNA,
District Forest Officer.

ENGINEERING DEPARTMENT.

SANITARY DIVISION.

Dated 24th April 1920.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Sanitary Division, up to 16th May 1920, for Drainage Scheme to the town of Nelamangala. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of December 1920.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore between the hours of 11 A.M. and 5 P.M. on office days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of (Rs. 100) one hundred in cash or Government Promissory Notes, as earnest money and be superscribed; "Tender for the Drainage Scheme to the town of Nelamangala," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, Sanitary Circle, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
